Favorite Sprint Cup Driver?
Jeff Gordon, he's been my favorite ever since I was five. He raced quarter midgets so I automatically liked him.

Personal Hero?
My dad, he's always been there when I needed him. And given me every opportunity to be happy and achieve my goals in life.

Superstitious?
A certain order of getting ready in the car. No peanuts in the pits. Pit by best friends that way if the race doesn't turn out the best, they can always help lighten the mood.
