(Dacono, CO. 07-03-2011) Late Model #42 Ronnie Hults started all the way back in 14th position and worked his way to the front taking the lead from #66 Darren Bucklen with 29 laps to go. Ronnie took the Late Model win, #46 Rick Lothert won the Super Stock main, #22 Chris Eggleston won the legend feature, and #3 Harold Evans won the ERA Supermodified main event. At the end of the night the packed stands were treated to an award winning fireworks show, God bless America!

Gillett Vet Late Models

100 laps of late model action was on tap for night two of the MID-SEASON Championship and two fast young drivers #22 Chris Eggleston and #66 Darren Bucklen were on the front row. Veterans #54 Joe James Jr and #74 Dan Savage were in row two. In the first 20 laps Eggleston and Bucklen took turns leading the race. Several early race cautions brought out double-file restarts bringing the CNS crowd to their feet. As the race neared the halfway point, last year's champion #42 "Speedy" Ronnie Hults had worked his way into 3rd place from his 14th place starting position. The crowd cheered as

Ronnie took over the second position. Darren Bucklen and Ronnie Hults proceeded to race door handle to door handle for at least 20 laps, putting every fan on the edge of their seat. With only 29 laps to go "Speedy" Ronnie Hults finally got by Bucklen and took the lead. #74 Dan Savage spun out in turn one which setup a 10 lap shootout to the finish. The yellow and blue #42 of Hults was the class of the field and when the checkered flew it was Hults taking the win by a comfortable margin. A great run by the yellow #77 of Dave Finley worked his way into second place. #66 Darren Bucklen took third, #22 Chris Eggleston was fourth and #48 Ed Vecchiarelli Jr. finished out the top five.

Qualifying race winners: #27 Roger Avants & #77 Dave Finley
