(Dacono, CO 10-22-2011) On a night that crowned the remaining champions for the 2011 season, not only did the racers put on a great show for the CNS fans but a lot of money was raised to support the fight against breast cancer. Lee Kemmit in the Sportsmans, Roger Avants in the Pro Trucks, Kyle Clegg in the Legends, Mark Sopr in the Grand American Modifieds, and Gary Land in the Mod Coupes all lifted their championship trophies high as the 2011 racing season at CNS came to a close.
