**Racing Biography**

I started racing about 6 years ago. I had always wanted to race since I was little. I started at CNS and raced there a couple of years. I then headed up to Cheyenne and raced at Big Country Speedway. I got lots of help from Gary Cagle up there. I got my 1st Trophy dash win at BCS and a few heat race wins. Last year I decided to come back and race at CNS. This year I have been racing both at CNS and BCS. I just got my first A main win at BCS this year.

**Favorite Sprint Cup Driver?**

Mark Martin is my favorite cup driver. I respect the way he drives and races his competition. I feel he is highly respected amongst his fellow competitors. He has been through many challenges in life and has always mad the best of them. He is possibly the best driver without a championship.

**Personal Hero?**

I don't have just one personal hero. I have many people I look up to and respect. My Mom and Dad, my brother, my family, Gary Cagle, Charlie Watt and many others have touched my life. Everyone of them have shaped me into the person I am. My kids teach me new things everyday and challenge me to be better. I have to thank everyone who has made me the person I am today.

**Superstitious?**

When I get ready for the track, I wear the same tee shirt that I had on when I got my 1st win. I always put my left glove on before my right.
