(Dacono, CO 07-30-2011) Rick Smith and 2010 CNS Champ "Speedy" Ronnie Hults raced side by side, lap after lap bringing the CNS crowd to their feet. Yet it was Rick Smith who proved he knew the fastest line around the 3/8ths mile paved oval as he took his first main event win of the 2011 CNS season.

Gillett Vet Clinic Late Models

One might think that with #42 Speedy Ronnie Hults on the pole position for the late model main event that the race might be all over before it started. However #31 Rick Smith jumped out to an early lead while Hults ran in second. With 22 laps to go #4 Brad Tilton made contact with the front straight wall and slid to a stop in turn one. Tilton was okay but his night was done. #11 Darren Robertson returned to CNS for the first time in 2011 in a beautiful black and silver #11 but spun coming out of two on lap 24 and was narrowly missed by the rest of the field. Smith and Hults ran side by side, lap after lap thrilling the large crowd at CNS, but on this night Rick Smith wasn't going to be denied as he had the fastest line and grabbed his first win of the 2011 season. Hults came in second, #66 Darren Bucklen was third, #74 Dan Savage was fourth, and #91 Chris Atkinson rounded out the top five.

Qualifying race winners: #42 Ronnie Hults & #31 Rick Smith

PAIR A DICE INTERIOR FINISHES SPORTSMAN

#98 Lee Kemmit jumped out to a massive early lead in the 30 lap PAIR-A-DICE INTERIOR FINISHES Sportsman main event and only teammate #06 Tommy appeared as if he had a chance to catch Kemmit. A great battle for 2nd heated up between Roe, #46 Eric Blackard, and #8 Jeff Walbaum which had the fans cheering but it was Kemmit who once again stole the show and secured yet another main event win. The race went caution free and at the finish it was Kemmit followed by Roe, Walbaum, Blackard, and #84 Bruce Borchardt.
