Name: Happy Ferree

Car Number: 1

Division: Pro Truck

Date of Infraction: 8/28/10
Rule Infraction(s): Truck was found to be utilizing a purpose built racing transmission in post race inspection. Due to grey areas that are present in the 2010 CNS rule book and the fact that OEM “type” transmission does not fully cover the spirit of the rule. CNS will amend the rule and this particular transmission and racing type transmissions (except the Jerico 2-speed) will not be eligible for competition at CNS.

Penalty:
Driver was penalized 7 points which realigns the point spread between first and second place.
