(06-17-2012 Dacono, CO) A beautiful Colorado Sunday afternoon and a packed grandstand at Colorado National Speedway was the setting for the Rocky's Autos MonsterFest Monster Truck show. Track owner Jim Nordhougan proved once again that the 3/8ths paved oval of CNS is the perfect venue for a Monster Truck event. On this Father's Day trucks such as Bounty Hunter, Razin' Kane, The Ice Cream Man, The Red Baron, Maverick Monster, Virginia Mountaineer, and the Shagman, entertained the fans. Also on hand was a motorcycle stunt show, Tuff Trucks, and the wild and crazy DEMO X.
