16 Pro Trucks hit the pavement for the 30 lap A Main. Things started out with #74 Cris Muhler on the pole, #34 Rudy Vanderwal on his outside, #07 Chris Leaf on the inside of row 2 and #22 Chris Eggleston on his outside. Rudy Vanderwal sprung to the lead with Eggleston close behind.

Eggleston took the lead from the get go but a spin-out along the front stretch brought on the first Pro Truck yellow flag of the season along with the evening's "Beer Garden Polka" where everyone in the Beer Garden got $1 off the beverage of their choice for the duration of the yellow flag.

When things got started again, Eggleston moved into the lead making quick work of Vanderwal. #7 Adam Deines also passed Vanderwal taking 2nd as another spin out on the front stretch lined him up with Eggleston for a double file restart.
During the yellow, announcer Marc Moser read aloud a letter written by "The Rock" Richard Burton. Burton survived a lightning strike while riding his bike to aid a neighbor suffering medical problems. The letter thanked everyone for their prayers during his recovery.

When the racing started again, Deines took the lead over Eggleston but chaos throughout the field signaled yet another yellow, lining Deines and Eggleston back up for another go. This time Eggleston took a slight lead but Deines stuck like glue to his bumper. Chris Leaf joined the battle for first at lap 29! Eggleston took the win followed closely by Deines and leaf.

Smith held it together taking 1st place by the length of the front stretch. Vecchiarelli took 2nd followed by Ed Jr.
