Comfort Shack Sportsman

Jeff Walbaum held off the ever approaching Brinlee and Tommy Roe for his first victory this season at CNS. Now 2nd in points, Walbaum is a clear contender for the '09 Sportsman Championship.

Yellow flag 10 laps in due to contact in turn 3. Walbaum and Brinlee got ready to drag race out of the double file restart. Walbaum quickly retook his lead with Brinlee right behind him. #6 Tommy Roe followed in 3rd. The distance between the top 3 continued to widen as the race went on. By lap 22 the leaders were navigating lapped traffic.

#00 Steven Maas spun out right in front of Walbaum but he did a great job avoiding him. The field lined up single file for the restart. On the green flag, the drivers toward the rear of the field accelerated into a pile. The contact caused #84 Bruce Borchardt to hook right and he smashed right into the wall on the outside of turn 4. After the flames were subdued, Bruce exited the car A-Okay to the relieved cheers of the crowd.

The field lined up for one last single file for a restart with only 3 laps to go. Walbaum took the win followed by Brinlee, Tommy Roe and Jim Bob Rogers. Brinlee was penalized. See official results below:
