Thank you to all drivers and race teams. CNS is proud to announce that the oval track show and 2012 registration was a huge success! This year, we had more racers register at the show than in the past 3 years! Colorado National Speedway staff and owners want to thank everyone for their positive input and support. Let's all have a fun and safe 2012 race season.

Thanks, we couldn't do it without all of you!
