### **GILLETT VET CLINIC LATE MODELS**

Coming into tonight's Chick-Fil-A night at the races #74 Dan Savage had a slim 3 point lead over #12 Bruce Yackey, but The "Savageman" would have to start near the rear of the field in this 40 lap main event. At the start of the race #31 Rick Smith jumped out to an early lead over #27 Roger Avants. After a early race caution, race leader Rick Smith spun down the back straight and was sent to the rear of the field giving Avants the lead. Halfway through the main event Savage had come from the rear all the way to 2nd place bringing the CNS crowd to their feet. Behind Savage was #91 Chris Atkinson who was having a excellent run in third. Yet on this night it was the "ice man" Avants all the way who cruised to the win. In second place it was Savage with an impressive run from the back of the pack. Finishing third was Atkinson, fourth was #7 Adam Deines and #31 Rick Smith finished an impressive fifth after being sent to the back of the pack after his spin.

It only took two laps for current point leader Kemmit to find his way to the front of the pack. Behind Kemmit, Bruce Borchardt battled Tommy Roe for 2nd but by lap 10 Roe had secured that spot. At the halfway point 2nd place car Roe began to fall back as Borchardt, Deines, #46 Eric Blackard, and #41 Dale Reeder had all passed Roe. With 5 laps to go Lee Kemmit's #98 Dodge had built a 20 car length lead over Borchardt who was getting heavy

pressure from #8 Jeff Walbaum. Kemmit cruised to yet another dominate victory followed by Borchardt, Walbaum, Deines, and Blackard.
