(Dacono, January 11, 2012)-

Late Models, Pro Trucks and Modified Coupes will be running on a Hoosier 10" 3025 & 3035.

Sportsman and Grand American Modifieds will be running on a Hoosier F53 & F75.

Super Stocks and Figure 8s will run on a Hoosier 8" Comanche.

ALL 2011 tires will be permitted in competition for the first 2 races for each division of the 2012 season.

We hope these changes will benefit all race teams.

John Witthar - Race Director
