With only 7 laps to go, #42 Ronnie Hults surprised the throng of screaming fans with an amazing dash from a well earned 3rd position, to first place!

Yet another spin forced another double file restart. Smith and Avants lined up side by side. In an instant, Smith had taken over the lead! Red flag on the track - the action was broken up by a big crash on the front stretch. #78 Darren Crocker, #10 Tyler Crissinger, #21 Mike Bowen, #17 Paul Deines & #95 Chris Muhler all involved.
